What: This Master Purchase Agreement (MPA) was awarded to three suppliers who will service state and local government agencies with a one-stop center for computer goods and services. The specifics for use of this MPA are being developed and will be specified in the soon to be released User Guide which will be mailed as well as posted on the DGS/PD/MACS internet site. Agencies can issue an order via a Std. 65 Contract/Delegation Purchase Order form. The approved goods and services that can be purchased via this MPA are available via each Contractor's Internet based electronic catalog-see weblinks listed above. There is no maximum \$ cap per order on this MPA. All existing State laws and guidelines must be followed when using this MPA. Please refer to MM 02-19 (August 20, 2002) and the CAL-Store User Guide for additional information.
